Small Flock Education Series

Have you ever thought about having a small flock of chickens?

Well, this program is for you! We provide **free** sessions on how to

keep laying hens, fancy show birds, and waterfowl.

These sessions are for youth

and adults and are open to the public. Are you a beginner or perhaps want to learn more to increase your flock or profits? Come join us for a couple of hours of learning! No more lost feelings at the feed store, no more phone calls to the wrong veterinarian, and no more unproven folk remedies – get the latest and most up-to-date information about raising chickens and other

Did you know... There is a small flock poultry specialist available to you in DE? Your input will help determine future topics at these seminars, so please bring us your ideas, interests, and poultry innovations.
