

PINE BOARD & BATTEN

BENEFITS

- Pine is a completely natural product.
- Product performance and longevity is the same as Duratemp.
- Not easily damaged.
- Customers who want a rustic look prefer it.

Other Considerations

- Stain to preserve color and to weatherproof .
(*reapply approximately every 5-7 years)
- Wait 6 months if painting.

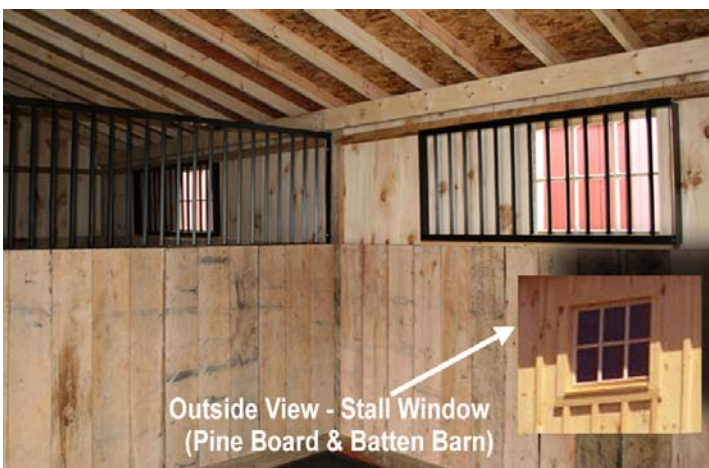

DURATEMP

BENEFITS

- Duratemp is a man-made product. 5-ply wood with an exposed durable composite layer.
- Product performance and longevity is the same as pine board & batten.
- No raised surfaces for horses to chew
- Same price as pine. Paint or stain included at **No Extra Charge**.
- Strong and durable. Resists dents, splits and cracks.
- Low maintenance.
- Outer layer acts as a long-lasting weather seal keeping moisture out.
- Paint won't crack or peel.
- Many color choices allows barn to easily blend with existing buildings.
