

Horse Barn Standard Features

All our wood-framed barns start out with the same list of standard features. As the barns get larger, the list of standard features gets longer.

A barn from Horizon Structures is a COMPLETE package.
There's nothing else you need to buy in order to use your barn right away.

- Pressure Treated 6x6 Perimeter
- Steel Reinforced Corners with Built-In Tow Hooks
- Board and Batten White Pine Exterior (*unfinished*)
- 2x4 Oak Post & Beam Frame
- 2x6 or 2x8 Rafters 16" OC
