6. Site Preparation

Horizon Structures LLC recommends the following [site preparations](#):

All structures should start with a level pad of stone dust or other fine stone. Ideally, the pad should be 3" – 4" deep and 1' larger than the perimeter of the structure. For example, a 10'x20' structure would require a pad at least 12'x22'. Extending the pad will allow for better drainage around the base of the structure. Rain and/or snow melt dripping off the eaves will create a muddy area and splashes up onto the barn siding. The stone dust base prevents this and extends the life of the building.

- To prepare the pad, remove the sod from an area slightly larger than the anticipated structure. Level the site by removing dirt where necessary, and spread the stone dust to a depth of about three or four inches. Using more "fill" to elevate or angle the pad slightly will improve drainage. To finish, tamp the stone dust down with a piece of 4x4, or a metal tamper, until it is evenly distributed, flat and level.
- A "frame" of pressure-treated 4x4's (railroad ties or cement block) will help keep the stone in place and create a neater appearance; however, it is not required.

Because all our buildings have a pressure-treated base, they may be set directly on the ground. A dry, level spot will suffice.

Finally, although our structures are heavy and solidly built, consider tie-downs or an anchor kit for your peace of mind. We sell anchor kits. Install it yourself or have us do it when we set up your building. Always check with your local authorities to verify if anchoring is required.

7. Delivery

Horizon Structures LLC will arrange delivery of the Run-In to the winner. Deliveries are typically scheduled Monday through Friday between 6:00 a.m. and 6:00 p.m., depending on the delivery location.

Horizon Structures LLC reserves the right to reschedule deliveries due to inclement weather, periods of excessive rain, unsafe ground conditions, or other events beyond its control. The Winner is also responsible for requesting a reschedule if the Winner believes that weather, soft ground, or other site conditions could make delivery unsafe, damage the delivery equipment or property, or create exceptional difficulty for the driver.

At least fourteen (14) feet of clearance must be available to access the building site. If such clearance is not provided, delivery will be made to the nearest accessible location deemed acceptable by the driver.

The Winner acknowledges that delivery will be made using heavy industrial trucks and trailers. The Winner warrants that their driveway or access route is capable of supporting the weight of these vehicles and the loaded trailer. In the event of damage to the driveway despite this warranty, the Winner waives any claim against Horizon Structures LLC or its subcontractors for such damage.

The Winner further understands that it may be necessary for Horizon Structures LLC or its subcontractors to drive across or through lawns or other ground. The Winner waives any claims against Horizon Structures LLC or its subcontractors for damage to lawns, pastures, ground, fences, gates, structures, buildings, animals, or other property.

If the delivery truck or trailer becomes stuck, the Winner is responsible for all towing and recovery charges.

Prize Fulfillment

All prizes are provided directly by the individual sponsors. Horizon Structures is not responsible for the quality, condition, shipment, or fulfillment of prizes supplied by other sponsors. Winners will be connected with the applicable sponsor to arrange delivery and must follow any requirements or restrictions set by that sponsor.

To facilitate prize delivery, Horizon Structures will share the Winner's contact information with the relevant sponsor. This information will be used solely for the purpose of prize fulfillment.

8. Other Terms and Conditions

Potential winner may be required to sign and return an Affidavit of Eligibility, Liability Release, and where lawful, a Publicity Release, within two (2) days of notification, failing which the potential winner will be disqualified and another winner selected in the place of the disqualified person at random from all entries received. If any prize or prize notification is returned as non-deliverable, the potential winner will be disqualified and another potential winner will be selected in the original potential winner's place. By accepting the prize, the winner agrees that the Sponsor and those acting under Horizon Structures LLC's authority, may use winner's name, picture/portrait likeness and/or voice, for advertising and promotional purposes without further consideration, unless prohibited by law. **BY ACCEPTING THE PRIZE, THE WINNER AGREES THAT THE SPONSOR / HORIZON STRUCTURES LLC, ITS SUBSIDIARIES, AFFILIATES, ADVERTISING AND PROMOTION AGENCIES, AND ALL OF THE SPONSOR'S OFFICERS, DIRECTORS, EMPLOYEES, REPRESENTATIVES AND AGENTS, WILL HAVE NO LIABILITY WHATSOEVER FOR, AND WILL BE HELD HARMLESS BY WINNER FOR ANY LIABILITY FOR ANY INJURY, LOSS OR DAMAGES OF ANY KIND TO PERSONS, INCLUDING DEATH, AND PROPERTY, DUE IN WHOLE OR IN PART, DIRECTLY OR INDIRECTLY, FROM THE ACCEPTANCE, POSSESSION, USE OR MISUSE OF THE PRIZE OR PARTICIPATION IN THIS CONTEST OR PARTICIPATION IN ANY SWEEPSTAKES OR PRIZE RELATED ACTIVITY.** Subject to all federal, state and local laws.
